SUMMER COACHING CAMPS

SURREY CRICKET CENTRE, GUILDFORD

Cricket doesn't have to stop this August as Surrey are running some fantastic 4 day coaching courses in Guildford for kids in school years 2-9! The courses will cover all aspects of the game and will include lots of chances to put skills into practice with indoor games across the week.

Our fully trained and vetted coaches will ensure that the young cricketers have a great time, whilst be suitably challenged to ensure they get better over the week!
